

Consent To Care

As an in-person or online subscriber, client or member coming to Oneness Wellness Lifestyles (OWL) and/or Oneness by Shifa! (OS!) You give consent to receive Self-healing care remedies, information and give permission and authority to practitioners, healers, therapists and caregivers to assist you in your Self-healing with natural wellness protocols in this private agreement in accordance with OWL/OS! appropriate natural wellness care and confidential health history/analysis. The suggested remedies and process offered are usually beneficial when used correctly and seldom cause any problem. In the rare case that underlying, pre-existing conditions may render the in-person or online subscriber, client/member susceptible to discomfort. OWL/OS! practitioners, healers, therapists and caregivers, of course will not provide care if we are aware that such care may be contraindicated. Remedies and processes for whatever in person or online subscriber, client/member is suffering from: latent pathological defect, illnesses, or deformities which are not disclosed by in-person or online subscriber, client/member in the client/member health history intake form and during the initial consultation and would otherwise not be known or come to the attention of the OWL/OS! Does render the OWL/OS! indemnified and held harmless.

Additionally, when in-person or online subscribers, client/member's actions are deemed by OWL/OS! To be non-compliant or contrary to Self-healing protocols offered and consented to in this Consent To Care agreement OWL/OS! Accepts no liability and remains indemnified and held harmless.

I have read the foregoing, agree and understand it.
